BATHTECH PRIVATE LIMITED

Openable/ Servicable
Square Overhead
Shower Series

EXPLODED ASSEMBLY VIEW

Key Technical Features

- Easy-clean rubber nozzles for hassle-free maintenance
- Built and tested for long-lasting daily performance.
- 1.2 mm precision nozzle design for better flow and reduced clogging chances.
- Stable shower performance under varying water pressure.
- Heavy-duty adjustable ball joint with long operational life.
- Inlet flow spreader for balanced outlet performance.
- Stable shower performance under varying water temperature conditions with validated thermal cycling reliability.

Material Specification

Specification	Value
Body	ABS - Electroplating Grade
Front Face plate	Colour - ABS
Ball Joint	BRASS
PRESSURE PLATE	POM
SCREW	SS-304
NOZZLE	High Grade Engineered TPE Rubber
Connection Thread Size	½" BSP
Thread Torque	41 NM
Recommended Water Pressure	3.0 Bar - 8.0 Bar
Water Tightness	10 Bar (Pass)
Functional Pressure Resistance	10 Bar (Pass)
Chrome Finish - Plating Thickness	Copper 15-25 micron, Nickel 7-10 micron, Chrome 0.25-0.50 micron
Chrome Finish - Thermal Cycle	3 Cycle PASS
Chrome Finish - Adhesion	PASS
Available Colour Finishing	Chrome

Product Details

Description: 100 mm Square Overhead Shower Single

Spray Coverage Area	100mm
Number of Spray Nozzles	64 counts
Flow Rate	19.2 LPM @3bar
Shower Arm	150 - 200mm (recommended)
Flow Regulator	Available from 2 - 15LPM
(separate compatible)	

Pantone Colour Customization Available

Product Details

Description: 125 mm Square Overhead Shower Single

Spray Coverage Area	125mm
Number of Spray Nozzles	81 counts
Flow Rate	18.1 LPM @3bar
Shower Arm	200mm (recommended)
Flow Regulator	Available from 2 - 15LPM
<i>(separate compatible)</i>	

Pantone Colour Customization Available

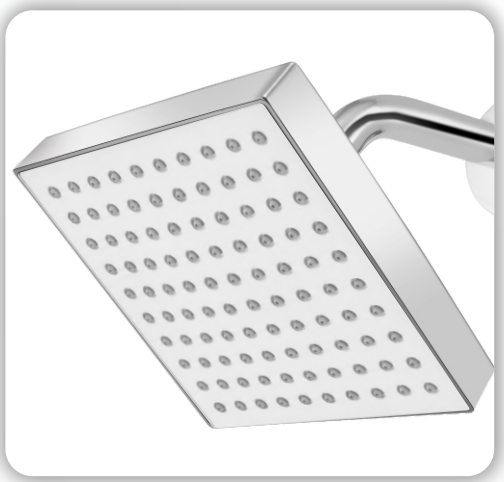

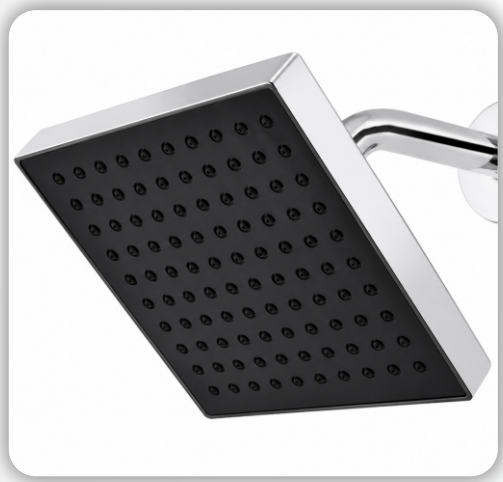

Product Details

Description: 150 mm Square Overhead Shower Single

Spray Coverage Area	150mm
Number of Spray Nozzles	100 counts
Flow Rate	22.1 LPM @3bar
Shower Arm	300mm (recommended)
Flow Regulator	Available from 2 - 15LPM
<i>(separate compatible)</i>	

Pantone Colour Customization Available

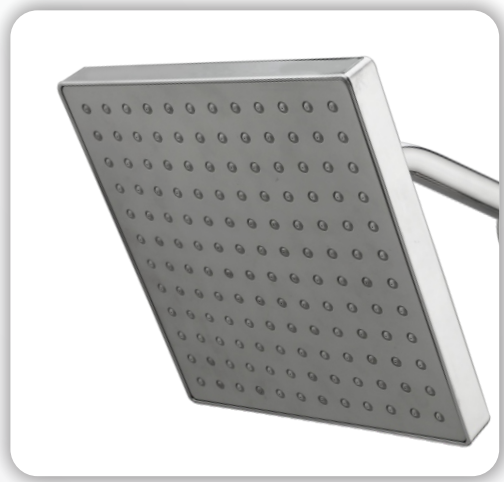

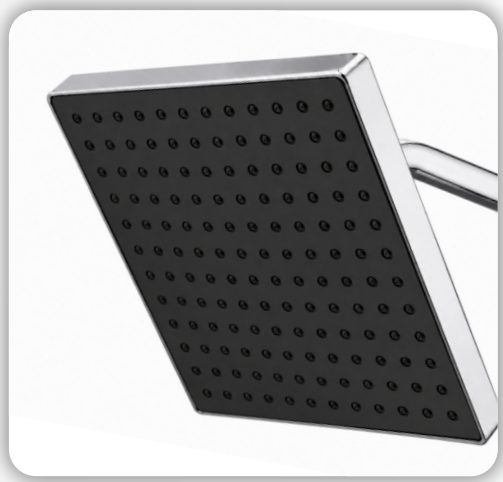

Product Details

Description: 200 mm Square Overhead Shower Single

Spray Coverage Area	200mm
Number of Spray Nozzles	144 counts
Flow Rate	18.9 LPM @3bar
Shower Arm	375 - 450mm (recommended)
Flow Regulator	Available from 2 - 15LPM
<i>(separate compatible)</i>	

Pantone Colour Customization Available

"Thank you for your trust! This Thanksgiving, we're grateful to present you a reliable product perfectly suited to your needs. Your satisfaction is our priority!"
